ULTIMATE BEVERAGE CHALLENGE 2017

MEETS THE CHALLENGE OF IDENTIFYING THE WORLD'S BEST SPIRITS, COCKTAILS, CIDERS, SAKES & WINES

Ultimate Beverage Challenge® (UBC) conducts two international competitions each year: *Ultimate Spirits Challenge®* (USC) in March and *Ultimate Wine Challenge®* (UWC) in May.

What makes UBC the beverage industry's most progressive evaluation company? Replies **Founder and Judging Chairman F. Paul Pacult**, "Since 2010, three things have made UBC the world's foremost arbiter of beverage alcohol quality. First and foremost is our rigorous, innovative methodology that creates a level playing field for every spirit and wine that's submitted to USC and UWC. We introduced the industry's strictest analytical processes by instituting our unique multi-level evaluation system that allows more than one panel to analyze each entry. In order for spirits and wines to display their virtues, they are served at optimum temperatures. UBC is the only competition company to insist on staging only small flights of 2 to 8 beverages so judges remain alert and fresh. And, at USC and UWC judging panels taste entries blind, never knowing the identity or the price of samples to ensure that each entry is dealt with fairly. Our goal is one-pointed: to provide unbiased, accurate ratings.

"Second, because of UBC's uncompromising and stringent procedural standards we must hire the best authorities as our spirits and wine judges. By that I mean our generation's most prominent and acknowledged beverage specialists such as Masters of Wine, Master Sommeliers, award-winning authors and journalists, consultants and buyers, bartenders and food and beverage managers. UBC does not hire distillers or winemakers as judges because we never want to give any one product an edge over another. In addition to the UBC judges, we employ the most capable and experienced organizational team in the U.S. to guarantee the smooth operation of each competition.

"Third, UBC has its own dedicated facility in Hawthorne, New York, 35 minutes north of Manhattan, where both USC and UWC are conducted. By creating this pristine and conducive environment for our staff and judges, we have advanced the entire concept of beverage competitions. The UBC Evaluation Center provides brick-and-mortar proof of UBC's total commitment to doing things right. It's the UBC way."

If these reasons aren't enough for you to believe in UBC as being the world's finest beverage competition company, visit the UBC website at ultimate-beverage.com.

JUDGING: Tasting flights are narrowed so that all products are evaluated like-with-like.

SCORE: The results published in this Ultimate Guide represent all products that scored 90 points and above (out of a maximum score of 100 points) in the 2017 Challenges. A complete list of all products scoring 80 points and higher can be viewed at ultimate-beverage.com. Online results include tasting notes for all products scoring 85 points and higher and marketing collateral.

AWARD: Top scoring products in each category are recognized based upon their results in each Challenge: Chair-

man's Trophy and Finalist. The number of Finalists per category will vary depending on product type, number of submissions and overall quality.

ACCOLADE: In addition to the score, products are further distinguished as a guide to consumers: 95-100 points: Extraordinary, Ultimate Recommendation; 90-94 points: Excellent, Highly Recommended; 85-89 points: Very Good, Strong Recommendation; 80-84 points: Good, Recommended.

PRICE: All prices listed are retail prices suggested by the producer and may vary by market. Products available in

the U.S. are quoted in dollars; those not imported show prices as available in the country of origin.

TRIED & TRUE AWARD (🌟): Products that were entered in 2017 and a minimum of two prior challenges and have scored 90 or higher each time, are recognized for consistency of product quality with this award.

GREAT VALUE (💰): Indication of products with a favorable relationship between their price and final score.

ULTIMATE SPIRITS CHALLENGE

At Ultimate Spirits Challenge® (USC) each year the results for every category of spirits are determined with uncommon skill, precision, and authority by the all-star Ultimate Spirits Challenge judging panels convened by USC Judging Director **F. Paul Pacult**.

USC 2017 took place at the Ultimate Beverage Challenge Evaluation Center located north of Manhattan. There, Pacult and his luminary judges, including *Jacques Bezuidenhout, Tad Carducci, Tim Cooper, Doug Frost, Jason Hedges, Tyler Hudgens, Don Lee, Paul Maloney, Jennifer Simonetti-Bryan, Joaquín Simó, Paul Tanguay, and Jillian Vose*, evaluated hundreds of spirits throughout March. All entries were painstakingly assessed neat within their peer group with many spirits also evaluated in category-appropriate cocktails.

Said Pacult of USC's revolutionary two-pronged analytical approach, "To properly analyze most distilled spirits in 2017 I believe that it's mandatory to evaluate them both neat and in cocktails. In the neat phase, judging panels are assigned small flights of like-with-like spirits to determine their quality. Small flights assure that the judges remain fresh and engaged. All spirits are tasted blind by multiple panels to maintain a level playing field."

Continued Pacult, "Next comes USC's cocktail phase to gauge the mixability of spirits. I feel strongly that it's just as vital to know how gin brands, for example, work in a Gin Bramble as to know how they rank neat within their category. Each cocktail is evaluated blind with a glass of its base spirit ingredient poured neat next to it for reference. The cocktail data is a value-added factor for producers who enter their products into USC."

95 CHAIRMAN'S RESERVE FORGOTTEN CASK RUM

Saint Lucia, 40% abv, \$49.99

The nose on this rum creates an air of mystery, but the first sip peels back the curtain on deliciously robust flavors of molasses, burnt sugar, and stewed fruit that weave through its silky texture before arriving at the slightly spicy finish. Memorable and sophisticated.

93 CHAIRMAN'S RESERVE RUM

Saint Lucia, 40% abv, \$27.99

With an unmistakable pungent, molasses-tinged nose balanced by fresh fruit and sweetgrass, this rum showcases aromas of leather, sweet spice, red fruit, and toffee. Cinnamon, coffee, fresh orchard fruit, and orange peel come through on the palate followed by a long, sumptuous finish.

92 SHRUBB J.M ORANGE LIQUEUR

Martinique, 35% abv, \$34.99

An exciting take on orange liqueur, this is a delightful spirit with beautiful aromas of candied orange, clementine skin, and a hint of fresh cut grass. The agricole based minerality becomes more apparent on the palate and provides a pleasant counterpoint to the spirit's sweetness.

ULTIMATE SPIRITS CHALLENGE

SHAKING IT UP...AGAIN

The over-the-shoulder shaking was piston-like and the clanking of ice cubes was deafening at the UBC Evaluation Center in Hawthorne, NY this past March as **Ultimate Spirits Challenge** (USC) 2017 swung into full-scale cocktail judging mode. For the third year in a row, USC's judging panels tested hundreds of spirits in appropriate classic cocktails to further embellish the data for spirits producers and marketers.

To ensure impartiality, the identical recipe was painstakingly measured, including dilution, in milliliters for each cocktail by world-class professional bartenders, led by *Leo DeGroff, Troy Clarke and Sean Kenyon*, in every suitable category. All **Gins** in USC 2017 were tasted in a *Gin Bramble*; **Blanco and Reposado Tequilas** in a *Paloma*; **Anejo Tequilas** in an *Anejo Smash*; **Mezcal** in *Mezcal Last Word*; **North American** and **World Whiskeys** in a *Whiskey Sour*; **Rye Whiskeys** in a *Manhattan*; **Irish Whiskey** in *Irish Coffee*; **Scotch** in a *Stone Fence*; **Brandy and Cognac** in a *Brandy Crusta*, **Calvados and Apple Brandy** in a *Pan American*

Clipper; **Pisco** in *Pisco Punch*; **Vodka** in a *Fresh Lime Juice Gimlet*; **Dry Vermouths** in a *Bamboo*; **Sweet Vermouths** in a *Sweet Thang Highball*; **Rums** in a *Daiquiri*; **Cachaca** in an *Alta Smash*; **Baijiu** in a *Baijiu Sour* and **Shochu** in a *Shochu Sour*.

Each cocktail was evaluated blind individually with a glass of its base spirit ingredient poured neat next to it for reference. Cocktails were scored on a 1-to-5 star scale, with 2 ½ to 3 stars being hailed as **Delicious**, 3 ½ to 4 stars as **Very Delicious**, and 4 ½ to 5 stars as **Drop Dead Delicious**.

Said USC Judging Director *F. Paul Pacult*, "By investigating the mixability factor of spirits as part of USC we've enhanced the analytical data we furnish suppliers and their marketing teams. Spirits, after all, aren't only consumed neat. As the only major spirits competition in North America to include mixability evaluations as part of the entry fee, USC's findings provide marketers with valuable insights as to how their spirits perform in classic cocktails. What's not to love?"

ULTIMATE WINE CHALLENGE

At this year's **Ultimate Wine Challenge® (UWC)** led by Founder and Judging Chairman *F. Paul Pacult*, thirteen of the world's foremost wine experts, buyers and journalists convened in May at the UBC Evaluation Center to evaluate more than 1,200 still, sparkling and fortified wines, ciders and sakes from around the world.

The judges included *James Conley*, buyer; *Vitalii Dascaluic*, sommelier; *Doug Frost*, Master Sommelier, Master of Wine; *Tim Gagnon*, buyer; *Tracy Ellen Kamens*, Ed.D, DWS; *Tess Rose Lampert*, wine educator; *John Rankin*, buyer; *Mike Reilly*, CSW; *Patricia Savoie*, wine journalist; *Rick Schofield*, CWE, consultant; *Paul Tanguay*, buyer and *Jennifer Simonetti-Bryan*, Master of Wine.

Under the strict principles of UWC's rules of service, all entries are served without the judges knowing anything about the wines except for

their category. In order to insure complete fairness, no labels are seen, no producer identities are revealed and no prices divulged to the judges. All wines are judged in appropriate glassware at the proper temperature and grouped for the judges into small flights of 2-8 wines matching like-with-like in terms of grape type, region and price.

Said Judging Chairman *F. Paul Pacult*, "To get the most accurate results it takes seasoned wine veterans on the judging and preparation teams, the ideal analytical environment, and the proper methodology. Whether a wine sells for \$4.99 or \$499.00 per bottle is immaterial to us. What matters most is that each wine, cider and sake submission, no matter what its price tag, is treated with respect and evaluated in the fairest possible conditions. UWC owes the producers of wine, cider and sake from around the world who have submitted their entries to UWC the scrupulous evaluation that they deserve."

ULTIMATE WINE CHALLENGE...NO SHORTCUTS. JUST HONEST, IMPARTIAL JUDGING.

96 LES VALENTINES LE CAPRICE DE CLEMENTINE 2016

Cotes de Provence (France), 13% abv, \$17.99

A pretty pink shade and a pretty nose of wild strawberries and thyme to match. On the palate it's bright red fruit and citrus with a woodland floral note on the finish. A well-structured rosé.

CHAIRMAN'S TROPHY, GREAT VALUE

Category: Rosé Wines, Europe

91 PROTOS VERDEJO 2016

Rueda (Spain), 13% abv, \$13.00

The welcoming nose of this wine shows gentle fruit flavors such as Bosc pear, lime, and citrus stem. The palate is fleshy and round making for a very quaffable drink that is just as at home at the dinner table or at the beach.

GREAT VALUE

Category: White Wines, Spain

90 PROTOS' 27 2014

Ribera del Duero (Spain), 14.5% abv, \$40.00

Vanilla, juicy berries and baked earth all waft from the glass, creating a complex and intriguing nose. Smooth and round on the palate, it starts savory with herbs and spice before flowing into coconut kissed raspberries and blackberries. A suede finish is dry and soft.

95 HAKKAISAN YUKIMURO SNOW AGED 3 YEARS JUNMAI GINJO SAKE

Niigata Japan, 17% abv, \$75.00

This aged sake shows complex aromas of green banana, baked pineapple, spring flowers, and honeydew. The palate has an impressive texture that combines ripe melon fruit with a bit vanilla-toned rice grain and finishes quite dry and crisp.

CHAIRMAN'S TROPHY

Category: Sake; Junmai Ginjo, World

95 CHATEAU LA HAYE MAJESTE 2012

Saint-Estephe (France), 13.5% abv, \$70.00

Bold aromas of black plums, black cherries, oregano, thyme and coffee bean are expressive. Incredibly smooth and round in the mouth, the flavors continue to unfurl into deeper minerality, toasted coffee and a hint of vanilla. A pleasure.

CHAIRMAN'S TROPHY

Category: Red Wines, France

94 KWV CLASSIC COLLECTION PINOTAGE 2015

Western Cape (South Africa), 14% abv, \$9.99

A juicy red with nice purity of fruit, it opens with crunchy red berry fruit. A rustic, garrigue character comes through on the mid-palate, and a bitter green vegetable note lingers through the finish.

CHAIRMAN'S TROPHY, GREAT VALUE

Category: Other Red Varietals, World

92 DOMAIN TRELOAR ONE BLOCK GRENACHE 2014

Cotes du Roussillon (France), 14% abv, \$15.00

Plums and berries mingle with earth and spice on the expressive nose. Soft on the palate, the flavors are deeply concentrated, exploding with spicy blackberry and baked plum. The intense baking spice lingers on the palate.
