ULTIMATE WINE CHALLENGE 2012

April 23-27, 2012

ASTOR CENTER, NEW YORK CITY

All wines were evaluated by a select group of judges under ideal tasting conditions, at the proper service temperature, in manageable flights of no more than eight wines; and in high-quality glassware specific for wine type and varietal. Wines were poured into numbered glasses in a separate room, served blind in small flights based upon wine type, origin, varietal and price, and evaluated and scored by panels of judges who used a unique variation of the 100-point scale. Products that scored 90 points or higher were then evaluated blind once again, in newly-created groupings by a different panel of judges. Top scoring products were then reviewed again to determine a select group of finalists with the category's highest-scorer being awarded a **Chairman's Trophy** accolade.

For 2012, there are **27 Chairman's Trophies** awarded, representing the best of the best; **Finalists** in each section are also identified.

In addition to the score, wines are distinguished with the following **Accolades**, as a guide to consumers:

95-100 Extraordinary, Ultimate Recommendation

90-94 Excellent, Highly Recommended

85-89 Very Good, Strong Recommendation

80-84 Good, Recommended

A note on the icons:

 **Tasting Note:** *Roll over icon to view.*

 **Great Value:** indicates products with a favorable score-to-price relationship.

Entered products that were scored **below 80 points** have not been included; Ultimate Beverage Challenge is dedicated to recognizing the best of the best, and that, in our opinion, begins with a score of 80 as being indicative of products of commendation and consumer worthiness.
