

ULTIMATE WINE CHALLENGE

LIKE NO OTHER COMPETITION

IMPORTANT INFORMATION FOR ULTIMATE WINE CHALLENGE, PLEASE READ CAREFULLY.

Wine entries for Ultimate Wine Challenge (UWC) 2015 will be accepted on a rolling deadline and judged in our own, specially designed, evaluation center in New York.

No US importer? No problem! We will take care of the necessary US Customs documentation. You must not ship until we have provided the documentation. A minimum of four wines must be entered into Ultimate Wine Challenge in order for us to provide these import services.

Included in this entry form package is the form; an example page in case you're not sure how to enter the name; a list of the category code numbers; a check list to make sure you've not forgotten anything and a shipping label. PLEASE NOTE: If you prefer, you may leave the category code field blank on the entry form and we will add the correct codes in for you.

Any questions, please email info@ultimate-beverage.com or phone (1) 347-878-6551.

For your convenience, entries for all categories may be entered on one entry form and shipped at the same time.
