IMPORTANT INFORMATION FOR ULTIMATE WINE CHALLENGE. PLEASE READ CAREFULLY.

Wine entries for Ultimate Wine Challenge (UWC) 2015 will be **accepted on a rolling deadline and judged in our own, specially designed, evaluation center** in New York.

No US importer? No problem! We will take care of the necessary US Customs documentation. You must not ship until we have provided the documentation.
A minimum of four wines must be entered into Ultimate Wine Challenge in order for us to provide these import services.

Included in this entry form package is the form; an example page in case you're not sure how to enter the name; a list of the category code numbers; a check list to make sure you've not forgotten anything and a shipping label. PLEASE NOTE: If you prefer, you may leave the category code field blank on the entry form and we will add the correct codes in for you.

Any questions, please email info@ultimate-beverage.com or phone (1) 347-878-6551.

For your convenience, entries for all categories may be entered on one entry form and shipped at the same time.
