2015 Ultimate Wine Challenge Results

For 2015, there are **41 Chairman's Trophies** awarded, representing the best of the best; **Finalists** in each section are also identified as well as **Great Values** and **Tried & True Awards**. All bottles are 750 ml unless otherwise noted.

In addition to the score, wines are distinguished with the following **Accolades**, as a guide to consumers:

95-100 Extraordinary, Ultimate Recommendation

90-94 Excellent, Highly Recommended

85-89 Very Good, Strong Recommendation

80-84 Good, Recommended

A note on the icons:

 **Tasting Note:** Notes provided for products scored 85 and up. *Roll over icon to view.*

 **Great Value:** indicates products with a favorable score-to-price relationship.

 **Tried & True Award:** products that were entered into UWC 2015 and a minimum of two prior UWCs and have scored 85 or higher each time, are **recognized for consistency of product quality** with this award.

 **Product Image:** to assist you with visual identification, we've included an image for each product evaluated. (Please note that age statements, vintages or label may vary slightly from the specific product evaluated but it represents a helpful portrayal of the brand.) *Click icon to view.*

A note on the results:

All wines are flighted like-with-like and judged blind. If no vintage is listed in the product name, it is a non-vintage (NV) wine.

Results of entered products that scored **below 80 points** have not been included: Ultimate Beverage Challenge is dedicated to recognizing the best of the best, and that, in our opinion, begins with a score of 80 as being indicative of products worthy of commendation. **Chairman's Trophy** and **Finalist** status is determined by the Judging Chairman, using a scoring curve based upon the number of entries within the category and overall categorical scoring.
