ULTIMATE SPIRITS CHALLENGE 2012

March 5–9, 2012

ASTOR CENTER, NEW YORK CITY

The purpose of *Ultimate Spirits Challenge* is to identify, recognize and reward those products which stand out in their respective categories, showing superior quality. Multiple panels of the highest-qualified experts blind-tasted each entry by classification in appropriately grouped flights within each major spirits category, scoring each on the 100-point scale. Products that scored 90 points or higher were then evaluated blind once again, in newly-created groupings by a different panel of judges. Top scoring products were then reviewed again to determine a select group of finalists with the category's highest-scorer being awarded a **Chairman's Trophy** accolade.

For 2012 there are **31 Chairman's Trophies** awarded, representing the best of the best; Finalists in each section are also identified.

In addition to the score, products are distinguished with the following **Accolades**, as a guide to consumers:

95-100 Extraordinary, Ultimate Recommendation

90-94 Excellent, Highly Recommended

85-89 Very Good, Strong Recommendation

80-84 Good, Recommended

A note on the icons:

 **Tasting Note:** composite judges' tasting notes for products which scored 85 and up. *Roll over icon to view.*

 **Great Value:** indicates products with a favorable relationship between their price and final score.

 **Product Image:** to assist you with visual identification, we've included an image for each product evaluated. (Please note that age statements, vintages or label may vary slightly from the specific product evaluated but it represents a helpful portrayal of the brand.) *Click icon to view.*

Entered products that were scored below 80 points have not been included; Ultimate Beverage Challenge is dedicated to recognizing the best of the best, and that, in our opinion, begins with a score of 80 as being indicative of products of commendation and consumer worthiness.
