ULTIMATE SPIRITS CHALLENGE 2011

March 1–4, 2011

ASTOR CENTER, NEW YORK CITY

The purpose of *Ultimate Spirits Challenge* is to identify, recognize and reward those products which stand out in their respective categories, showing superior quality. Multiple panels of the highest-qualified experts blind-tasted each entry by classification in appropriately grouped flights within each major spirits category, scoring each on the 100-point scale. Products that scored 90 points or higher were then evaluated blind once again, in newly-created groupings by a different panel of judges. Top scoring products were then reviewed again to determine a select group of finalists with the category's highest-scorer being awarded a **Chairman's Trophy** accolade.

For 2011 there are **27 Chairman's Trophies** awarded, representing the best of the best; Finalists in each section are also identified.

In addition to the score, products are distinguished with the following **Accolades**, as a guide to consumers:

95-100 Extraordinary, Ultimate Recommendation

90-94 Excellent, Highly Recommended

85-89 Very Good, Strong Recommendation

80-84 Good, Recommended

A note on the icons:

-  **Tasting Note:** tasting notes for **Chairman's Trophy** winners and **Finalists** have been provided by Judging Chairman, F. Paul Pacult and Assistant Judging Chairman, Sean Ludford based upon their and the judges' impressions. *Roll over icon to view.*
-  **Great Value:** indicates products with a favorable relationship between their price and final score.
-  **Purchase Now:** a selection of products that achieved high scores which can be ordered directly from **Astor Wines & Spirits**, a leading New York retailer. Clicking on the icon will take you directly to that product's page on Astor's web site, where you can place your order for delivery. *Click icon to view.*
-  **Product Image:** to assist you with visual identification, we've included an image for each product evaluated. (Please note that age statements, vintages or label may vary slightly from the specific product evaluated but it represents a helpful portrayal of the brand.) *Click icon to view.*
-  **Video:** an insightful video review from F. Paul Pacult for each *Ultimate Spirits Challenge* **Chairman's Trophy** winner. *Click icon to view.*

Entered products that were scored below 80 points have not been included; Ultimate Beverage Challenge is dedicated to recognizing the best of the best, and that, in our opinion, begins with a score of 80 as being indicative of products of commendation and consumer worthiness.
