## 2011 Ultimate Wine Challenge Results

ULTIMATE WINE CHALLENGE 2011

May 2–6, 2011

ASTOR CENTER, NEW YORK CITY

All wines were evaluated by a select group of judges under ideal tasting conditions, at the proper service temperature, in manageable flights of no more than eight wines; and in high-quality glassware specific for wine type and varietal. Wines were poured into numbered glasses in a separate room, served blind in small flights based upon wine type, origin, varietal and price, and evaluated and scored by panels of judges who used a unique variation of the 100-point scale. Products that scored 90 points or higher were then evaluated blind once again, in newly-created groupings by a different panel of judges. Top scoring products were then reviewed again to determine a select group of finalists with the category's highest-scorer being awarded a **Chairman's Trophy** accolade.

For 2011, there are **17 Chairman's Trophies** awarded, representing the best of the best; **Finalists** in each section are also identified.

In addition to the score, wines are distinguished with the following **Accolades**, as a guide to consumers:

95-100 Extraordinary, Ultimate Recommendation

90-94 Excellent, Highly Recommended

85-89 Very Good, Strong Recommendation

80-84 Good, Recommended

### A note on the icons:

 **Tasting Note:** tasting notes for **Chairman's Trophy** winners and **Finalists** have been provided by Judging Chairman, F. Paul Pacult and Assistant Judging Chairman, Sean Ludford based upon their and the judges' impressions. *Roll over icon to view.*

 **Great Value:** indicates products with a favorable relationship between their price and final score.

 **Product Image:** to assist you with visual identification, we've included an image for each product evaluated. (Please note that age statements, vintages or label may vary slightly from the specific product evaluated but it represents a helpful portrayal of the brand.) *Click icon to view.*

Entered products that were scored **below 80 points** have not been included; Ultimate Beverage Challenge is dedicated to recognizing the best of the best, and that, in our opinion, begins with a score of 80 as being indicative of products of commendation and consumer worthiness.
