

Chateau Leoubé

Forts de Leoubé

2011

Cotes de Provence, France

Bright blood red/purple color. First inhalations encounter keenly peppery, mildly toasted, stony, tobacco-like notes that evolve into concentrated, almost jammy grape-driven, plummy scents. Like the multilayered bouquet, the flavor profile offers a full menu of taste, such as plum preserves, black cherry, black plum, black raisins that last deep into the zesty aftertaste.
